Our communities are facing new challenges due to an increasing number of refugees, asylum seekers and migrants and ageing population.

Objectives:

- To open new fields of adult education;
- To strengthen cooperation with the stakeholders in the community;
- To settle common pathways to a wide range of adult education activities with different stakeholders in the community;
- To support non formal and informal activities (to learn from what is going on, improving our institution framework).
- Social, civic and intercultural competences;
- Using diversity in intercultural competences;
- Combating discrimination and segregation;

Activities:
