Creating Contacts for Accredited Organisations 3

Date: 25-28 April 2023

Location: The Radisson Blue Hotel, Helsingborg

Welcome to this TCA-event! What has happened since you had your accreditation approved? Where are you now? How are things working? What would you need to proceed, to continue, to increase impact and quality? What about you contacts and partners? The days in Helsingborg will guide you to exchanges of experience, to new partners, to old partners, to new information and to attempts to try to lift your “burning questions”, at this stage of the accreditation. The event is part of the long-term TCA for accreditation and will do its best to cover as much as possible of project manager support, guidance, and development for your accreditation.
