ACTIONS TO BOOST
COMPETENCES
ON DIGITALISATION &
ENTREPRENEURSHIP
IN ARTISTIC PROFESSIONS

ACTIVITIES

- ✓ Baseline Analysis to share a common knowledge base
- ✓ Build a training structure addressed to students and young professionals active in CCI sector
- ✓ Create tools functional to share the model

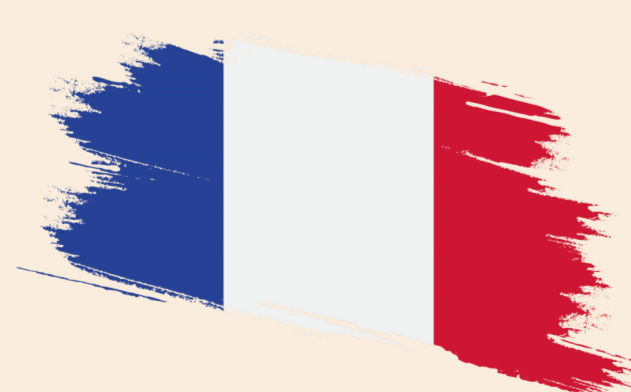

THE PROJECT

DIG.ENT/ART project was born from the desire to innovate artistic and cultural training by reconciling traditional and contemporary arts with the digital era. The project aims to foster an entrepreneurial and sustainable approach to arts education.

OBJECTIVES

DIG.ENT/ART aims to promote new knowledge and increase the competences of students/recent graduates and young professionals active in the sector of artisanal/ artistic productions with respect to the potential offered by digitization and offering them entrepreneurial skills to design their professional future.
