

Speed Date questions

Choose a few questions to start the conversation. Focus on what you can offer, what you are looking for, and what you could develop together.

Introducing yourself and your institution

1. Could you briefly introduce yourself, your institution and your role in international cooperation or Erasmus+ projects?
2. What are you hoping to achieve during these two days?

Institution & Internationalisation

1. What makes your institution unique in higher music education?
2. What is one international challenge you would like to tackle?

Erasmus+ Experience

1. What is your experience with Erasmus+ cooperation projects, such as Cooperation Partnerships or Capacity Building?
2. If you have previous experience, what has been your most successful international project so far?

Looking for Partners

1. What kind of partners or expertise are you looking for today?
2. Is there an idea you would like to turn into a European project?

Higher Music Education

1. What are the biggest opportunities and challenges for international cooperation in higher music education?
2. What could conservatories achieve together that would be difficult to achieve alone through Erasmus+?
